* **Retail Investor:** any natural person who receives market data solely for his/her personal, non-business use and who is not classified as professional user.

****Professional Investor:** All companies or individuals who manage other people’s money or investment advisors or employees of any financial institution.

*** **Level 1 market data:** Provides the following trading quotes and information: bid, ask, last, open, high, low, close, change, and volume.

**** **Level 2 market data:** Also represents market depth or order book depth and provides all of the above plus other multiple layers of additional quotes and sizes.

Notes:

Subscribing to live data for any market start at the beginning of each month; if you’ve subscribed after the 1st of the month, your subscription will be continued until the last day of the month.

In case you wish to downgrade the package, you can do it manually using the same steps you used to subscribe.
